Erário Mineral - Vol. 1 e 2 (Portuguese Edition) Júnia Ferreira Furtado, Luís Gomes Ferreira

Erário Mineral, de Luís Gomes Ferreira, foi editado pela primeira vez em Lisboa, em 1735, sendo um dos primeiros tratados de medicina brasileira escrito em língua portuguesa. O livro reúne as experiências de práticas médicas realizadas pelo cirurgião-barbeiro Luís Gomes Ferreira na capitania de Minas Gerais. Além de uma descrição pormenorizada dos principais males ali freqüentes, o autor também descreve os meios mais eficazes de cura que experimentou e faz um importante inventário dos medicamentos utilizados na época com suas respectivas funções. Nessa leitura, descobrimos que entre os remédios empregados encontravam-se vários utilizados pelos índios e incorporados pelos paulistas à medicina colonial. Parte preciosa do relato é constituída pelas minuciosas informações sobre as duras condições de vida e de trabalho a que os escravos estavam submetidos, o que facilitava a propagação das doenças. Dois glossários completam e enriquecem ainda mais esta edição, procedendo a um levantamento dos médicos e cirurgiões citados pelo autor.
