Lavorare Felici (Italian Edition) Andrea Magnani

Scopri le trappole inconsce che limitano il tuo potenziale nel lavoro.

Usa mente e corpo per liberarlo.

Passiamo al lavoro oltre metà del nostro tempo ... Come vogliamo viverlo?

Si tende a credere che avere obiettivi razionali e strategie per raggiungerli ci porti ai risultati che desideriamo. Basta osservare la realtà, però, per capire che non è così.

Spesso non usiamo le risorse che sappiamo di possedere, in alcuni casi non troviamo la motivazione e l'energia necessaria. A volte qualcosa dentro di noi sembra lavorare in direzione contraria alla via che ci sembra più razionale. Qualcuno, ad esempio tende a riempire il tempo, caricandosi di responsabilità come se non potesse delegarle a nessun altro. Altri sono sempre bombardati da emergenze e urgenze e hanno la netta sensazione che le gratificazioni non ripaghino mai gli sforzi fatti. A volte, a causa dell'insoddisfazione che viviamo nella nostra sfera lavorativa, il nostro corpo inizia a segnalare il disagio attraverso patologie che non sappiamo con precisione a cosa imputare: affaticamento, tensioni al collo e alla schiena, pressione alta, disturbi allo stomaco e all'intestino. Infatti, nel mondo del lavoro, spesso, la nostra parte emozionale - corporea viene trascurata. Questo libro ha l'obiettivo di guidarti nel comprendere il perché di tali situazioni e mostrarti le strategie per realizzare uno stato di benessere e prosperità nella tua professione.
