## **Pals on the Somme 1916** Roni Wilkinson

Pals on the Somme covers the history of all the Pals Battalions who fought on the Somme during the First World War. The book looks at the events which led to the war and how the 'Pals' phenomenon was born. It considers the attitude and social conditions in Britain at the time. It covers the training and equipping of the Battalions, the preparations for the 'Big Push', 1st July 1916, and going over the top, and how each battalion fared, failed or succeeded. It looks at how they Battalions had to undergo a change after the 1st July, due to the heavy casualties, and the final victory in 1918, and how the battalions were eventually amalgamated.

The final chapter examines how each area coped in the aftermath of losing their men in the three year slaughter. It covers the organizations and visits to the Battlefields as they are today.
