Reclaim: A Recovered Innocence Novel Beth Yarnall

Brimming with angst and sensuality, Beth Yarnall's Recovered Innocence series kicks into high gear as a hotheaded P.I. unleashes one lawyer's deepest passions—and greatest temptations.

Nolan: Nothing's ever come easy for me, especially not my dream job at Nash Security and Investigations. Righting wrongs is what I'm meant to do . . . except I manage to blow the very first chance I get. So why don't they fire me on the spot? Hell, I'd fire myself if I could. Instead, my boss hands me an assignment that's too important to screw up—and partners me with Lila Garcia, a gorgeous attorney with curves so distracting they should be illegal.

Lila: Like my client, a grieving mother charged with the murder of her own son, I know how quickly the American dream can become a nightmare. If anybody can help me clear her name, it's Nash Security and Investigations. But Nolan Perry is a wild card. Bending the truth, breaking the law—that's his business. I need to focus on the evidence. Not on how Nolan's body fits so perfectly against mine. With a case this personal—and this dangerous—losing control is simply not an option . . . no matter how badly I want to give in.
