Now illustrated with full-color photographs, this abridged version of a classic will delight even the youngest child in the family. Wonderful to read aloud! When Annette gets Lucien into trouble at school, he decides to get back at her by threatening the most precious thing in the world to her: her little brother Dani. But tragedy strikes. Annette is so filled with rage she sets out to alienate and humiliate Lucien at every turn. As Lucien seeks to repent and restore, light floods both of their dark hearts, and Christ proves that he makes all things new.
