## **Beach: A Book of Treasures** Josie Iselin

Beloved author Josie Iselin's collaged images of the treasures we live with as reminders of the beach—from sea glass to driftwood, shells to stones—evoke the timeless elements of sand, ocean, and refreshing sea air. In her writings, Iselin shares thoughts on the varied ways we experience the beach while also providing fascinating insights into the scientific ecosystem of the ocean, such as how the oyster constructs its shell and the ways in which algae is classified. At once an exploration and a meditation, *Beach: A Book of Treasure* will delight and inspire anyone who values the unique environment of the seashore and the myriad wonders found therein.
