## **Chessie: The Railroad Kitten** Thomas Dixon

A wonderfully nostalgic tribute to the lovable kitten that became one of the best-remembered company symbols of all time. She was featured on the sleek passenger trains that ran from Washington to Cincinnati, and on freight cars in mile-long trains, she helped sell war bonds, and finally was modernized to form the logo for the new Chessie System paint scheme in 1972. Purrr-fect for every train enthusiast!
