Habíamos ganado la guerra (B DE BOOKS) (Spanish Edition) Esther Tusquets

Habíamos ganado la guerra' supone todo un acontecimiento en el panorama actual de nuestras letras, no sólo por tratarse de un nuevo libro de Esther Tusquets, sino por su temática: la burguesía franquista en la Barcelona de los años cuarenta y cincuenta a través de los recuerdos de la autora desde los tres años, cuando las tropas de Franco entraron en Barcelona, hasta los veinte, cuando abandona su militancia en la Falange y cobra conciencia de que no pertenece al bando de los vencedores, en cuyo seno se ha educado, sino al que sigue y seguirá luchando por una mayor justicia. Una galería de personajes soberbiamente descritos, un documento de época desde el punto de vista de los vencedores, casi infrecuente en la narrativa española; los avatares de la protagonista en su descubrimiento del mundo, de los demás y de sí misma, todo ello descrito con una sinceridad y una valentía inusuales, hacen de este libro una obra polémica y, a la vez, una de las obras mayores de Esther Tusquets.
