In Stereo Where Available Becky Anderson

Phoebe Kassner didn't set out to become a 29-year-old virgin, but she is, and, having just been dumped by her boyfriend, she doesn't see that situation changing anytime soon. Meanwhile, her twin sister Madison—aspiring actress, small-time model, and queen of the short attention span—has just been eliminated on the first round of Singing Sensation. Things aren't looking so great for either of them, but when Phoebe, victim of a fake phone number written on a cocktail napkin, receives a surprise voice mail from a guy named Jerry, she takes pity on him and calls, setting in motion a serendipitous love story neither of them saw coming. And suddenly Madison has a romance of her own, as one of 12 women competing for two men on a ruthless, over-the-top reality show. As Phoebe falls in love with the jilted high school English teacher who never intended to call her in the first place, Madison's falling in love, too, clawing and fighting her way through a tide of adorable blondes.
