Mon jardin ne me coûte plus un radis ! (Le jardin, c'est nos oignons) (French Edition) Annie Lagueyrie-Kraps

Pour profiter d'un beau jardin, pourquoi serait-il nécessaire de dépenser beaucoup d'argent ? Jardiner à petit prix est en effet une pratique ancestrale basée avant tout sur le bon sens et le respect des rythmes de la nature. Or économie et respect de l'environnement forment un duo aux effets bénéfiques : ils nous conduisent à recycler les végétaux pour fabriquer du compost au lieu d'acheter des engrais, à éliminer pesticides et herbicides aussi coûteux que dangereux... Et le jardin devient même rentable lorsque le potager se met à produire de belles récoltes de légumes gorgés de vitamines destinés à toute la famille. Rédigé avec humour, cet ouvrage vous propose de découvrir toutes les techniques, les bons gestes, les astuces, les réflexes d'achat indispensables, les tours de main utiles... pour jardiner sain et de manière économique... tout cela sans vous raconter de salades !
