**The Biographical Dictionary of Literary Failure** C. D. Rose

**A darkly comic, satirical reference book about writers who never made it into the literary canon**

A signal event of literary scholarship, *The Biographical Dictionary of Literary Failure* compiles the biographies of history's most notable cases of a complete lack of literary success. As such, it is the world's leading authority on the subject.

Compiled in one volume by C. D. Rose, a well-educated person universally acknowledged in parts of England as the world's pre-eminent expert on inept writers, the book culls its information from lost or otherwise ignored archives scattered around the globe, as well as the occasional dustbin.

The dictionary amounts to a monumental accomplishment: the definitive appreciation of history's least accomplished writers. Thus immortalized beyond deserving and rescued from hard-earned obscurity, the authors presented in this historic volume comprise a who's who of the talentless and deluded, their stories timeless litanies of abject psychosis, misapplication, and delinquency.

It is, in short, a treasure.
