"Faith in Miracles"

Destiny has been achieved by the young Templar hero Karic...but at what cost? For the outlawed Templar remnant, Karic's legacy might represent hope for the first time in a generation...or usher in an age of horror even greater than the tyranny of King Icarus. The exiled warrior Damaask is tasked with leading rescued mice from the royal dungeons, but to get past the rat army and through the city gates to freedom, he will have to choose where his true loyalties lie.
