Jesus the Nazarene explodes upon a tumultuous religious scene and begins to give the final interpretation of the Law and the Prophets (Old Testament). He is the Messiah long predicted by the Essene. His teaching centers on enlightenment into the spirit of God-The Way. No longer will the lawyered views of the Pharisees keep Judaism in bondage. He has come to set the captives free and release mankind into the enlightened age of spiritual understanding. In the early part of his ministry Jesus speaks to the planting of good seed and that the harvest is ready. He envisions the harvest into the new enlightenment of awakening to the spirit of God within, but also the fulfillment of this enlightenment for each individual. Beginning with faith-love, mind-heart and revealed knowledge Jesus continues to extol the virtues of this new relationship with God. His mystic vision reveals truth within truth by parable and direct teaching, the extended hand of healing, and the speaking of the new Word which will prepare man for the coming age. Jesus forsakes the letter of the law, but fulfills the law through love and the greater enlightened vision. In his book, Mr. Evans provides a step by step practice anyone may do, and delves into love, faith, revealed knowledge, the Law of Abundance-thoroughly practical and useable by anyone, this book opens a new door into the mystic enlightenment for daily life so many seek. Mr. Evans lives in the mountains of Colorado. He gives classes and lectures and oversees the Facebook site, Enlightenment Forum.
