**Twenty Fathoms Down (Action Adventure Short Stories Collection)** L. Ron Hubbard

As daring and defiant as Kirk Douglas journeying 20,000 Leagues Under the Sea, there's no stopping diver Hawk Ridley as he takes the plunge into a briny world of untold riches and danger.

The Caribbean is a fortune hunter's dream, salted with the gold of galleons long ago claimed by the deep. Now Hawk's headed for the Windward Passage of Haiti to stake his claim. But a rival team has also picked up the scent, and they're willing to turn the sea red with blood to get to the gold first.

Fighting off ruthless competitors is nothing new to Hawk...but fighting off a beautiful woman is a different story. Is she an innocent stowaway or a seductive saboteur? Between the cool millions lying on the bottom of the ocean, and the boiling-hot race to grab it, Hawk's about to find the answer and make a discovery Twenty Fathoms Down that will blow you out of the water.

**When it came to research, Hubbard was not one to head for the library. He always went to the source—in this case a U.S. navy deep-sea diver who agreed to show him the ropes and the danger. Hubbard admits it was daunting—even frightening—but he returned from the experience with all the first-hand knowledge he needed to fathom the true nature of life and death underwater.**
