Aspesia blues (Italian Edition) Andrea Fantini

Alba degli anni 90, alba di un giorno qualunque nella soffocante estate di Aspesia, nella pancia del serpente, nel ventre profondo della provincia laziale. Tra il vociio familiare della televisione e le note lontane dei Cure una è la domanda ineludibile, inevitabile, che assilla i sensi ancora confusi di Pietro: cos'è successo ieri notte?

Vuoto, tracce di pillole ingurgitate, sorrisi, sapore di birra calda evaporata.

Questa domanda prende per mano il lettore e lo accompagna tra le pagine del romanzo, in una discesa agli inferi che ha le voci dei cinque protagonisti, anteroi di una generazione x messa all'angolo dalla sfiducia nel futuro, dalla mancanza di identità, dalla vita apatica in una provincia invisibile, in un cocktail nero di droghe e noia che sembra l'unica ricetta per sopravvivere all'adolescenza. Sullo sfondo, l'Italia della precarietà, dell'instabilità lavorativa che avanza, del crollo delle religioni e dei dogmi, con le ombre di Tangentopoli che iniziano ad allungarsi fin dentro le case.

Un libro che parla con i toni egocentrici e insicuri tipici degli adolescenti, con suoni grunge e dialetti aspri di paese, e con un minimalismo esistenzialista che è il manifesto delle vite di questi, e di tanti ragazzi di ieri.
