International Textile Design Mary Schoeser

International Textile Design provides a thorough resource of contemporary textile designs for the design industry. Its periodic update will ensure timely and comprehensive coverage of new trends and issues.. Dozens of new textile designs are released each year, inspired by everything from subway tiles to children's art. This resource book offers an international overview of the best new designs, from both large- and small-scale manufacturers. It covers examples from fashion, furnishing, rug and carpet designs, providing a valuable reference for designers and furniture manufacturers. It also discusses new technologies in fiber and fabric treatment. A new edition will be published every two years, providing focus on new and current trends in the design industry at regular intervals.
