This is a book to accompany the readings in year C of the Lectionary. It aims to help individuals and groups to understand and use Luke's Gospel. It follows the successful Journeying with Mark in Year B (2011) and the series will be completed with Journeying with Matthew in Year A. This book's unique slant is that it asks readers to use their imagination 'to bring the Gospel to life.' It asks readers to visualize themselves in the scenes that Luke describes in order to see Luke's Gospel in a fresh and exciting way.
