The Cowgirl in Question (McCalls' Montana) B.J. Daniels

The wildest of the McCall boys was back...and he had a score to settle with Cassidy Miller! Like two outlaws facing off at high noon, they reunited at the Longhorn Cafe for the whole town to witness the long-awaited showdown. Rourke McCall had been fantasizing about this moment for more than a decade--except he hadn't counted on Cassidy growing up and growing into a woman. That one high-school kiss suddenly hit him like a shotgun recoiling. But he couldn't let his emerging desire for Cassidy deter his search for a killer, who by all accounts was still at large in Antelope Flats and equally determined to destroy Rourke...and anyone close to him.
