[Siren Classic: Erotic Romantic Suspense, HEA] Chase Matthews dropped everything to move home and take care of his family after his parents died in a tragic car accident. He never thought he would hear from his old life again until he gets a call from his former commanding officer asking for his help to guard his daughter. Kerri MacGregor didn't have the life that most girls had growing up. While other girls were playing with dolls and learning to wear makeup, she was learning how to shoot guns and wearing camouflage. She never thought escaping a kidnapping would bring her face-to-face with the man that she has had a crush on since she was fourteen. Chase realizes that Kerri is not the gangly teenager that he first met, and sparks begin to fly between them. Unfortunately, the kidnapper is still out there and wants revenge, and he needs Kerri to get it. \*\* A Siren Erotic Romance
