When a young streetwalker is picked up by an enigmatic older woman, she finds herself launched into an odyssey of pleasure and pain beyond measure. Lost in a night world, and thrown to the lusts of her anonymous captors, she must submit to their increasingly bizarre rituals of pain and degradation in order to find salvation.

House of Pain provides a glimpse of living Hell as a young woman is abandoned to the throes of rage, violence and cruelty which feed the sexual impulse. It remains probably the most extreme document of sadism and pornographic intensity since the writings of de Sade himself.
