És la política, idiotes! (Punt i apart, 1) (Catalan Edition) Joaquim Brugué

?La política viu moments de descrèdit, justament ara, quan més la necessitem. Amb aquesta premissa, l'autor reclama –a contracorrent– que no s'utilitzi aquest descrèdit per destruir-la sinó per reformar-la i dignificar-la. La destrucció de la política, principal força civilitzadora del nostre món, només ens pot conduir a una nova barbàrie. És possible que aquesta situació convingui a alguns sectors, però la majoria de ciutadans –les persones que no formen part d'aquests sectors privilegiats– haurien de coincidir en la defensa de la política; la bona política, és clar, aquella que ens ha permès i ens permetrà conviure i assolir una existència plena.

The policy currently lives discredit precisely now, when we need it most . With this premise , the author claims that unused contracorrent- -a disgrace to destroy it but to reform it and dignify it. The destruction of the policy, main civilizing force of our world , it can only lead to a new barbarism. It is possible that this situation suits some sectors , but most people -the people who are part of these sectors must match privilegiats- defense policy ; good policy , of course, that has allowed us and will allow us to achieve and live a life full.
