## **The Diary of Delores D'Lump** Claire Laishley

Claire Laishley wasn't particularly concerned when she found a lump in her breast. She'd had two others removed over the years, both benign, and at the time the doctor had intimated there would probably be more. But this time things would be different. *The Diary of Delores D'Lump* covers the twelve-month period from the day breast cancer was diagnosed. It is a powerful story that takes the reader on an emotional journey through the harsh treatment regime which, in Claire's case, leads to unexpected and life-threatening side effects. But although the subject matter is serious, this story also captures the author's sense of humour and indomitable spirit. Like her previous book *My Mother is my Daughter*, which told the story of how dementia in her mother changed the dynamic of their relationship, the author manages to inject humour into what many would feel was yet another humourless subject. Along with the humour there is a blunt honesty in her writing; she is not afraid to detail her emotional lows, and many will relate to her story.

#### **Shirley Demers:**

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Diary of Delores D'Lump can make you truly feel more interested to read.
