## Rabies

**Rabies** offers a complete account of one of the oldest known diseases threatening public health today. Unlike most research-oriented descriptions of rabies, this book provides a narrative about the disease and its etiologic agent, encompassing the historical background to recent developments. The emphasis on the basic biology and molecular virology of the disease is intended to convey an understanding of the underlying mechanisms involved in the disease - essential information for diagnosis and prevention strategies. Current methods used in defining geographic origins and animal species of rabies viruses in wildlife are presented, along with diagnostic methods for identifying the strain of virus based on its genomic sequence and antigenic structure. The latest approved methods for controlling rabies in wildlife species are also covered. This account of rabies will interest clinicians, public health advisors, epidemiologists, research scientists, and anyone involved in diagnosing, treating, controlling, and preventing this disease.

### Key Features

#### **Ruth Frye:**

Is it you actually who having spare time and then spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This Rabies can be the reply, oh how comes? The new book you know. You are so out of date, spending your time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?

#### **Rita Furguson:**

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Rabies can make you feel more interested to read.
