**A lost boy caught in the cold a mother with nowhere to turn a soldier with nowhere to go**

When Nora Camden's son was kidnapped, Sabriel Mercer was the one man she could depend on. The valuable Seeker had lost his way, but rescuing Scotty Camden renewed his purpose, and would lead him deep into the White Mountains. He had become a man on its trails long ago, and again he found himself pursued by the tyrannical Colonel.

The Colonel would do anything for sole custody of his heir. The men he'd dispatched to track Nora and Sabriel were even more dangerous than the unforgiving terrain. Sabriel would have to put his Rangers skills to the test if mother and son were to be reunited, but could even that put his restless soul at ease?
