Wooden Boats: In Pursuit of the Perfect Craft at an American Boatyard Michael Ruhlman

There are fewer than 10,000 wooden boats in America, but the circulation of **WoodenBoat** magazine exceeds 180,000. What is it about these boats that has captured the popular imagination? With his "lively blend of reportage [and] reflection" (**Los Angeles Times**), Michael Ruhlman sets off for a renowned boatyard in Martha's Vineyard to follow the construction of two boats-Rebecca, a 60-foot modern pleasure schooner, and Elisa Lee, a 32-foot powerboat. Filled with exquisite details and stories of the sea, this exciting exploration of a nearly forgotten craft and the colorful personalities involved will enthrall wooden boat owners as well as craftspeople of every stripe, nature enthusiasts, and fans of compelling nonfiction.
