Bound By Nature: A Forces of Nature Novel Cooper Davis

The mind may forget, but the heart remembers...

A Forces of Nature novel.

It doesn't take Hayden Garrett's college degree to figure out why Officer Josh Peterson is the last man alive he wants to face. Not because of the council's harebrained idea to broker peace between their clans.

It's the sweaty palms that prove Hayden never got over his embarrassing attraction to his alpha rival. Mate with him? Nothing fills Hayden with more desire—or dread. Josh doesn't have a gay hair in his fur. At least not one he owns up to.

Despite Josh's reputation for being a connoisseur of female flesh, he's always cared about Hayden. In a different world, they might have been friends. Now, face to face after five years, the bitterness in Hayden's eyes fills Josh with regret for what could have been—should have been.

As Hayden and Josh journey through rituals—and intimacies—that will knit their souls for life, passion and anger flares, revealing a powerful secret. The truth about a long-ago sharing of hearts, bodies and souls that ended in tragedy...
