Sandra Marcondes

Num texto que revela, sem medo, o amor pelo Brasil, este livro, escrito pela advogada ambientalista Sandra Marcondes, começa no dia em que Cabral e a tripulação de conquistadores europeus deslumbram-se com a beleza e a exuberância da costa brasileira. Terra - e muita riqueza - à vista! Com elogioso prefácio do ambientalista Fábio Feldmann, o livro nos apresenta, em texto acessível e empolgante, a questão ambiental desde o descobrimento do Brasil até os dias atuais. Trata-se de um quase-romance, de leitura saborosa, um convite verdadeiro e irresistível ao engajamento do cidadão comum à questão ambiental em toda a sua rica complexidade, de incomum importância como referência aos estudiosos do meio ambiente.
