Le frisson de la victoire (French Edition) Mylène Laurent

Le Frisson de la Victoire est une histoire vraie : Rita et Marcel se rencontrent en 1936 sur les bancs de l'université de Bruxelles et partagent les mêmes valeurs éthiques et morales, et donc un rejet très profond de l'idéologie nazie, destructrice et dominante. Ils entrent tous deux en Résistance dès le début de la guerre. Était-ce le bon choix ? Était-ce un acte libre, réfléchi ou, au contraire, les deux jeunes gens étaient-ils mus par un sentiment puissant, obligatoire, de vouloir agir, à leur mesure, sur leur temps ? Était-ce le sentiment amoureux qui les avait poussés à s'engager ensemble, « pour le meilleur et pour le pire » ?

Le récit se construit sur l'alternance du passé et du présent : Rita, 60 ans après les événements, raconte leur parcours à tous deux à l'étudiante de 20 ans, qui la rencontre pour étoffer son travail de recherche sur l'engagement. L'enchaînement inévitable des événements qui conduiront Rita et Marcel au bout de leur destin, est recréé progressivement au travers des récits rapportés à la jeune historienne, qui les comprend à l'éclairage de sa génération.

Récit très sobre, écriture juste, précise, très complète, qui épouse très bien les émotions et situations vécues par ce couple hors du commun ; mais pas de dérive larmoyante ou sentimentale, c'est la relation des faits, certains très heureux, d'autres cruels, toujours avec la même note de fond, comme une basse continue qui entretiendrait le souffle de chaque phrase. A découvrir et lire avec le plus grand respect, mais aussi avec la passion de la vérité !

From reader reviews:

Aaron Tyler:

Within other case, little men and women like to read book Le frisson de la victoire (French Edition). You can choose the best book if you'd prefer reading a book. Given that we know about how is important a new book Le frisson de la victoire (French Edition). You can add expertise and of course you can around the world with a book. Absolutely right, simply because from book you can understand everything! From your country until foreign or abroad you may be known. About simple point until wonderful thing you are able to know that. In this era, you can open a book or maybe searching by internet unit. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's examine.

Bryan Jones:

Reading a guide can be one of a lot of pastime that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new details. When you read a guide you will get new information mainly because book is one of numerous ways to share the information or even their idea. Second, looking at a book will make an individual more imaginative. When you reading through a book especially tale fantasy book the author will bring you to imagine the story how the figures do it anything. Third, you may share your knowledge to others. When you read this Le frisson de la victoire (French Edition), you are able to tells your family, friends as well as soon about yours book. Your knowledge can inspire average, make them reading a publication.

Steven Evans:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their spare time with their family, or their friends. Usually they carrying out activity like watching television, about to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you want to something different to fill your current free time/ holiday? Can be reading a book could be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to try look for book, may be the guide untitled Le frisson de la victoire (French Edition) can be very good book to read. May be it may be best activity to you.

Joe Williams:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Le frisson de la victoire (French Edition) can make you sense more interested to read.
