**The move to a lovely seaside cottage unravels the McLuckie family's tight spool of emotions**

The McLuckie family has not been so lucky. After losing two wives, Mr. McLuckie has been left with one child from each love: ten-year-old Walter and fourteen-year-old Sylvia. He decides to move the family to a new home, a ramshackle seaside cottage called the Gravedigger's Cottage, where they can start anew. But soon Mr. McLuckie starts acting strangely, taking a leave of absence from work and becoming obsessed with fixing leaks, stockpiling canned foods, and chasing a mysterious rat. Then, Sylvia and Walter hear the rumor of the Gravedigger's Cottage: the house "chooses" its occupants. How will the McLuckies get the fresh start they so desperately need?
