TIEBREAKER: Tower of Secrets II Victor Sheymov

Tiebreaker: Tower of Secrets II The CIA awarded Victor Sheymov the highest intelligence medal for the services he rendered to the US. Yet for the ten years that he and his family remained under deep cover, unbeknownst to the KGB, working at the highest levels of the NSA and British Intelligence, the CIA itself turned out to be Sheymov's most insidiously persistent, and dangerous enemy. Why? Tiebreaker is the fascinating memoir of how Victor Sheymov figured out the reason behind the campaign to destroy him and his family, and the cause of the CIA's catastrophic intelligence failures revealed with the arrest of Aldrich Ames. Sheymov then found himself at the center of the next intelligence crisis with the arrest of his longtime FBI liaison, Robert Hanssen. And now Sheymov, world-class cyber security expert and inventor, finds himself at the heart of the controversy over the solution to the rapidly growing global threat to cyber security.
