Luz: la novela (Spanish Edition) Luis Gonzalez

Cuba, en agosto de 1994, donde tiene lugar un evento de proporciones alarmantes. Por primera vez en 35 años, los cubanos se sublevan abiertamente contra el régimen de Castro y, a la vez, el gobierno no impide que nadie abandone la isla. Pero en esta ocasión no habrá rescate alguno. Esta vez ningún transbordador va a venir, como cuando la Crisis del Mariel. Los que quieran huir de la isla pueden hacerlo, siempre y cuando zarpen al mar en sus cámaras de aire y sus artilugios y sus balsas de fabricación casera. A pesar de los riesgos que conlleva esto, la joven Clara de 19 años ha decidido abandonar su patria y convence a su esposo Rigo para que ambos se unan al éxodo. Todo está listo para la mañana siguiente. La pareja de recién casados y dos amigos planean salir de la pequeña villa marina de Cojimar, famosa gracias a Ernest Hemingway. Esa noche, sin embargo, mientras Rigo se encuentra con su familia para darles la noticia de su inminente salida, otro evento prodigioso habrá de tener lugar. Clara espera el regreso de su marido cuando un visitante inesperado llega para darle noticias que impactarán sus planes drásticamente. Atónita y sin poder dar crédito, Clara se niega a aceptar lo que le ha sido revelado. Piensa que la visita surrealista sólo es resultado del miedo e incertidumbre que le atormentan por haber decidido salir de Cuba. Pero Clara pronto cambiará de idea. Pronto aceptará la noticia que este desconocido le trae y así comenzará una odisea que alterará su vida para siempre en LUZ, libro i: idas y venidas, el primer testamento de su historia en estos tiempos atormentados.

*Una profunda, sorprendente y absorbente exploración de la fe en el terreno de la salvación política así como en el ámbito de lo divino. Escrita con brío y sensibilidad. **Foreword Reviews. Febrero 2014.***
