*Three bestselling authors...Three real-life heroines*

Every day, women in your community are working to make the world a better place. You may not know their names, but you probably have something in common with these real-life heroines: compassion for those who need a helping hand, and the desire to make a difference. Each year, the **Harlequin More Than Words** award is given to three women who strive to change people's lives for the better. Inspired by their accomplishments, three bestselling authors have written stories to honor these real-life heroines. *All proceeds from the sale of the More Than Words: Acts of Kindness will be reinvested in the Harlequin More Than Words program.*

**Brenda Jackson** explores the importance of family in *Whispers of the Heart*, the story of a father's struggle to recognize and manage his daughter's health challenges.

**Stephanie Bond's** *It's Not About the Dress* tells the tale of a wedding dress gone missing that leads a bride on a journey of self-discovery.

**Maureen Child** reminds us of the happiness and purpose that even a youngster can find by putting her best foot forward in *The Princess Shoes*.

A great gift for every reader on your list...and a great cause! Your support is greatly appreciated.
