Do you think you can make friends with the idea that you are fully responsible for everything and everybody that is occurring in your life? And can you imagine that exactly this realization can bring you into a state of total freedom and happiness?

Christine and Robert Salopek, in their second book ,Power Ho‘oponopono‘, bring together the traditional Hawaiian shamanic healing method of Ho‘oponopono and the power of the symbols and present this combination in a new and vibrant form more appropriate for our times, with uniquely formulated powerful sentences of forgiveness. Totally new and yet in keeping with the original practice - as freely and diversely as it has been applied for many centuries in Hawaiian families - the authors show you a way to bring about a conscious change in your life with the help of the four steps of Power Ho‘oponopono (assuming responsibility, acceptance, gratitude and love) and so obtain wealth, health, freedom and happiness. The rest is trust in the Divine that healing does happen. In the United States Ho‘oponopono is an approved treatment modality.

Everything, without exception, is in you. And that is your chance.
