The Education of Kevin Powell: A Boy's Journey into Manhood Kevin Powell

In the spirit of Piri Thomas's *Down These Mean Streets* and Maya Angelou's *I Know Why the Caged Bird Sings*, this powerful memoir by writer and activist Kevin Powell vividly recounts the horrific poverty of his youth, his struggles to overcome a legacy of anger, violence, and self-hatred, and his journey to be a man and a voice for others.

Driven by his single mother's dreams for his survival and success, Kevin Powell became the first in his family to attend a university, where he became a student leader keenly aware of widespread social injustice. But the struggle to define himself and break out of poverty continued into adulthood, with traumatic periods of homelessness and despair. As a young star journalist with *Vibe* magazine, Powell interviewed luminaries such as Tupac Shakur, writing influential chronicles of the evolution of hip-hop from his eyewitness view. Now, with searing honesty, Powell examines his troubled relationships, his appearance on MTV's first season of *The Real World*, his battles with alcohol and depression, his two campaigns for Congress, and the uplifting trip to Africa that renewed his sense of personal mission. Finally, Powell embarks on a search for the father he never really knew in a redemptive passage from abandonment to self-discovery.

A striking memoir by a child of post-Civil Rights America, *The Education of Kevin Powell* gives eloquent testimony to the power of the soul to heal.
