The Four Gospels on Sunday Gordon W. Lathrop

Premier liturgical theologian Gordon Lathrop argues that far too often liturgy, preaching, and liturgical theology are informed by naive and outdated exegesis. In another fully original and deeply reflective work, Lathrop partners with newer biblical studies to see the Gospels anew. He treats the gospels as early witnesses to the meaning and import of Christian assembly and forces in the shaping and reshaping of liturgy. His work comports and develops the implications our understandings of early Christianity as a meal fellowship.
