## When Did Ignorance Become a Point of View: A Dilbert Book Scott Adams

Scott Adams still has the corporate world guffawing about the adventures of nerdy Dilbert and his power-hungry companion, Dogbert, plus Ratbert and the pointy-haired boss, as they make their way through the travails of modern work life. Only a cartoonist with been-there-endured-that experience could make us laugh so hard. *When Did Ignorance Become a Point of View?* captures it all, even those Sunday strips that make it into the office each Monday morning.
