CITY OF WOMEN

Christine Stansell

CITY OF WOMEN Christine Stansell

In this brilliant and vivid study of life in New York City during the years between the creation of the republic and the Civil War, a distinguished historian explores the position of men and women in both the poor and middle classes, the conflict between women of the laboring poor and those of the genteel classes who tried to help them and the ways in which laboring women traced out unforeseen possibilities for themselves in work and in politics.

Christine Stansell shows how a new concept of womanhood took shape in America as middle-class women constituted themselves the moral guardians of their families and of the nation, while poor workingwomen, cut adrift from the family ties that both sustained and oppressed them, were subverting—through their sudden entry into the working and political worlds outside the home—the strict notions of female domesticity and propriety, of “woman’s place” and “woman’s nature,” that were central to the flowering and the image of bourgeois life in America.

Here we have a passionate and enlightening portrait of New York during the years in which it was becoming a center of world capitalist development, years in which it was evolving in dramatic ways, becoming the city it fundamentally is. And we have, as well, a radically illuminating depiction of a class conflict in which the dialectic of female vice and virtue was a central issue.

City of Women is a prime work of scholarship, the first full-scale work by a major new voice in the fields of American and urban history.

From reader reviews:

Princess Bequette:

Precisely why? Because this CITY OF WOMEN is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I were you I will go to the e-book store hurriedly.

Mary Barrientes:

Is it anyone who having spare time in that case spend it whole day by watching television programs or just resting on the bed? Do you need something totally new? This CITY OF WOMEN can be the response, oh how comes? A book you know. You are so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

Alberta Jones:

A lot of reserve has printed but it is unique. You can get it by net on social media. You can choose the most effective book for you, science, comedy, novel, or whatever through searching from it. It is known as of book CITY OF WOMEN. You can include your knowledge by it. Without departing the printed book, it might add your knowledge and make anyone happier to read. It is most essential that, you must aware about guide. It can bring you from one spot to other place.

Jerry Rivera:

What is your hobby? Have you heard that question when you got learners? We believe that that problem was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. So you know that little person such as reading or as reading become their hobby. You must know that reading is very important as well as book as to be the point. Book is important thing to add you knowledge, except your teacher or lecturer. You get good news or update in relation to something by book. Numerous books that can you choose to use be your object. One of them is niagra CITY OF WOMEN.
