There is great hope in God's power to change, and everyone needs to be changed. This study explores what God does when he saves someone, answering questions such as: What is the change we need? How does conversion happen? What are the fruits of salvation? Participants will gain a biblical understanding of conversion and the implications both for themselves and for the church.

A series of ten 6–7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.
