**Robert Southey (Nineteenth Century Major Lives and Letters)** Stuart Andrews

In *Robert Southey*, Andrews argues that Robert Southey's denunciation of global Catholicism is essential to understanding his life, works, and times. On this issue, Southey was absolutely consistent - from his first visit to Lisbon in 1795-6 to his *Colloquies* published in 1829. The Poet Laureate's partisan rhetoric reflect its intensity and reveal a great deal about the religious culture of this stormy period in England.
