**The Dortmunder Novels (7 Book Series)** Donald E. Westlake, Donald E Westlake

**From Book 1:**

**Fresh out of prison, Dortmunder plans a heist that could mean war**

John Dortmunder leaves jail with ten dollars, a train ticket, and nothing to make money on but his good name. Thankfully, his reputation goes far. No one plans a caper better than Dortmunder. His friend Kelp picks him up in a stolen Cadillac and drives him away from Sing-Sing, telling a story of a \$500,000 emerald that they just have to steal. Dortmunder doesn't hesitate to agree.

The emerald is the crown jewel of a former British colony, lately granted independence and split into two nations: one for the Talabwo people, one for the Akinzi. The Akinzi have the stone, the Talabwo want it back, and their UN representative offers a fine payday to the men who can get it. It's not a simple heist, but after a few years in stir, Dortmunder could use the challenge.
