Aliens are coming... to get up your nose!

After their adventures at the beach, Jack and the gang are looking forward to a well-earned rest. But the work of an alien-buster is never done!

And there's trouble closer to home, too – an outbreak of nits at Jack's school! But when Jack spots the new school nurse sticking out her tongue and eating a nit from a pupil's head, he realises the two problems might just be linked...
