The Storm of War: A New History of the Second World War

Andrew Roberts

The Storm of War: A New History of the Second World War Andrew Roberts

"Roberts's populist approach makes for a rollicking good read and never comes at the expense of accuracy. His mastery of the huge variety of subjects is truly impressive and his ability to marshal these subjects into a single compelling narrative stunning." —*The Daily Telegraph*

Hailed by *The Economist* as "Britain's finest military historian" for bestsellers such as *Masters and Commanders* and *Waterloo*, Andrew Roberts offers a magisterial new history of World War II and the Axis strategy that led the Germans and Japanese to their eventual defeat. Perfect for readers hoping to gain new insight into WWII's pivotal battles and campaigns, from Dunkirk to D-Day, *The Storm of War* is a powerful, penetrating, and compulsively readable examination of the causes, currents, and consequences of the Second World War.
