Do you hear them? Are you listening? In "Whispers of Heaven... Excerpts from The Animal's Voice," Animal Communicator Morgen Espe takes you on a journey, a journey that lives on this side of heaven. Through her enlightening Communications, the animals share their deepest thoughts, feelings, and wishes. The readings may make you laugh or they may make you cry, but they will always touch your heart. The animals will take you through their experiences in being lost and found, will share the reasons for - and solutions to - their behavioral issues, will educate us on their own healing abilities, and will share with us their surprisingly peaceful views of their passing. Through these communications, the animals show us that they are our greatest gifts and, by their example, they teach us forgiveness, truth, compassion, and unconditional love. The animals tell us that the gift of Animal Communication is not just for a select few, but that we all are worthy, and gifted beyond our dreams. When we trust that we do have the ability, we will hear that the animals have been talking to us all along, loving us and guiding us toward our own personal development. And then, our lives will be changed for the better, forever. ... Enjoy your journey!
