An Edgar Award Nominee: To recover a sunken yacht, a diver must enter the world's most dangerous waters

The *Grave Descend* lies under more than sixty feet of clear blue Caribbean water, guarded by a coral reef and schools of hungry hammerhead sharks. Raising it would be a near-impossible task, but James McGregor is suited to the impossible. An expert diver, he makes his living exploring sunken ships. But there's something strange about the wreck of the *Grave Descend*.

How did she sink? Why do none of the survivors tell the same story? And what was the cargo inside her hull? To answer these questions, McGregor will have to contend with the deadliest sharks around—both underwater and on land.

This ebook features an illustrated biography of Michael Crichton including rare images from the author's estate.
