Lumieres sur les forces de l'ombre: Une perspective canadienne sur les Forces d'operations speciales (French Edition)

Les Forces d'op rations sp ciales (SOF) n'ont jamais fait partie int grante des capacit s militaires du Canada. Des unit s sp ciales ont certes exist    certaines p riodes de notre histoire, mais elles ont toujours oeuvr  dans l'ombre,   la limite de la reconnaissance. Elles ont presque toujours  t  marginalis es. Cependant, la tragique attaque lanc e par des terroristes sur les tours jumelles du *World Trade Center*   New York, le 11 septembre 2001, a consid rablement modifi  leur image. Les SOF sont devenues depuis des forces de premier plan. Les  ssais qui forment cet ouvrage concernant les SOF ont  t  redig s par des experts en la mati re. Pris collectivement, ils constituent un recueil exhaustif d'informations et de connaissances sur les SOF canadiennes et sur des questions et sujets qui s'y rapportent. En somme, l'ouvrage permet au lecteur d'acqu rir une solide base sur la th orie, le contexte historique et l' volution des SOF, y compris les  v nements qui favorisent leur expansion.
