**Neuroeconomia (Portuguese Edition)** Leonel Karam, Leonel Karan

SINOPSE: A neuroeconomia apresenta-se como uma cultura científica que une economia e neurociência para criar novos conhecimentos e abandonar antigas crenças limitadoras do desempenho pessoal. Estamos na era da inteligência. Este livro ensina a enxergarmos mais do que vemos, ouvir mais do que escutamos e perceber mais do que sentimos. O fato novo apresentado é a revelação de um poderoso instrumento que possibilita acertos sistemáticos e uma aprendizagem evolutiva de vida. É sabido que mudanças pessoais e grupais acontecem em maior número e com mais precisão e rapidez quando acessamos o lado direito de cérebro – instintivo, inconsciente, que, em conjunto com o lado esquerdo, toma 99% das nossas decisões. Entretanto, entre uma ação e a decisão de tomá-la há um sistema altamente complexo e propenso a cometer erros grosseiros e catastróficos, a mente humana. Esses enganos de percepção ou ilusões cognitivas que geram decisões erradas uma vez corrigidos garantem uma liberdade emocional extremamente valiosa para obter saúde, afeto e prosperidade.

This book will give you a large amount of information about this world now. In order to see the represented of the world in this particular book.

#### **Kristen Clifford:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Neuroeconomia (Portuguese Edition) can make you truly feel more interested to read.
