Porcelain (Portuguese Edition)

Moby

Porcelain (Portuguese Edition) Moby

Havia diversas razões para Moby jamais deslanchar como DJ e músico na cena club nova-iorquina. Aquela era a Nova York das boates Palladium, Mars, Limelight e Twilo, a cidade do hedonismo desenfreado regado a drogas, e lá estava Richard Melville Hall, descendente distante do autor de *Moby Dick*, um garoto branco, pobre e magrelo de Connecticut, cristão devoto, vegano e totalmente careta.

Moby testemunhou em Nova York um submundo cultural atrevido e festivo. Ele encontrou seu espaço e alcançou o sucesso, que logo se mostrou efêmero e cheio de complicações. No desfecho da década de 1990, frente a um fim iminente, acabou criando o álbum que viria a ser o início de uma nova fase espetacular: *Play*, que vendeu milhões de cópias no mundo todo.

Francas e sem remorsos, as memórias descritas em *Porcelain* cobrem dez anos da carreira de Moby, da fita demo que o colocou no comando das pickups do porão da recém-inaugurada Mars ao auge retumbante do sucesso. Com uma voz que ressoa honestade e uma paixão inabalável por sua música, o que Moby faz é tanto uma crônica sobre uma cidade e uma época quanto uma exploração profundamente íntima da busca pelo sucesso. Mais que uma autobiografia, *Porcelain* é o retrato de um jovem imerso em uma cena cultural extremamente instigante, narrado com o ritmo e a fluidez de um romance da melhor qualidade.

“A escrita de Moby é formidável, avivada por um humor impassível e enigmático.” **Salman Rushdie**
