ARGENTINA RESIDENCY AND RETIREMENT: How I Did It Delores Johnson

Argentina Residency and Retirement: How I Did It tells you what you face when moving to Argentina. This is not a sugar-coated fairy tale of moving overseas, but a reality-based account of what it takes to encounter a new culture and country on your own. The author and her husband moved themselves overseas, without the help of a company or an embassy paving (and paying) the way for them. You can learn from their experience and save time and money. You'll find valuable information about getting visas and Argentine identification documents, shipping goods, renting and buying property, and settling into a new life, plus much more; all to make your move as smooth as possible.
