## **Michelangelo in the New Millennium: Conversations about Artistic Practice, Patronage and Christianity (Brill's Studies in Intellectual History)** Tamara Smithers

"Michelangelo in the New Millennium" presents six paired studies in dialogue with each other that offer new ways of looking at Michelangelo's art as a series of social, creative, and emotional exchanges where artistic intention remains flexible; probe deeper into the artist's formal borrowing and how it affects meaning regarding his early religious works; and consider the making and significance of his late papal painting projects commissioned by Paul III and Paul IV for chapels at the Vatican Palace. Contributors are: William E. Wallace, Joost Keizer, Eric R. Hupe, Emily Fenichel, Jonathan Kline, Erin Sutherland Minter, Margaret Kuntz, Tamara Smithers and Marcia B. Hall"
