While it can be rewarding to raise an extremely bright child -- quick, curious, sensitive, and introspective -- it's also a daunting challenge. Parents need insight into their own motivations (as well as those of their children), and the courage and ability to make tough decisions about their child's development. *Raising Gifted Kids* will help parents understand and cope with the obstacles they face in raising a gifted child, and help them make the best choices for their son's or daughter's growth and happiness. This upbeat and practical book reveals how parents can:

- \* help develop their child's potential and self-esteem without pressuring them
- \* plan their child's education
- \* work optimally with schools and teachers
- \* recognize and prevent problems
- \* solve family conflicts over parenting issues
- \* avoid the dangers of living vicariously through their child's accomplishments
- \* and much more

Filled with proven solutions to the unique challenges of raising gifted kids, this book is the powerful yet accessible resource parents have long wished for.
